Exact Equipment Scale Labels For Use in Exact Label Printing Scales

Label Specialties, Inc. is not affiliated with Exact Equipment, any other company or scale manufacturer, and LSi does not sell or service Exact scales. However, Label Specialties, Inc. has specialized in manufacturing scale labels used in label printing scales since 1980. Our scale label products are used in Acom, Atron, Avery Berkel, Bizerba, CAS, Digi, Exact, Globe, Hobart, Ishida, Kubota, Toledo, TEC, Tor-Rey, and many other brands.

LSi manufactured stock scale labels and custom scale labels have been used in thousands label scales for the purpose of labeling retail bakery, deli, cheese, meat, fish and other seafood, poultry , and produce packages found throughout the US and in other countries.

As a leading, nationally recognized scale label manufacturer for three decades, Label Specialties, Inc. continues to maintain a leadership position in providing premium quality scale labels to small, medium, and large customers nationwide and in other countries.

Over 1,800 distributors and other label customers throughout North America can attest to our industry leading prices on supermarket scale labels.

Our quality and prices are indeed reflective of our reputation.

Label Specialties, Inc. manufactures both **custom** labels and **stock** labels and LSi maintains a large inventory of popular stock scale labels allowing LSi to service customers with same, or next day shipping capabilities.

Warranty

LSi Exact Equipment labels are produced using **premium** direct thermal papers coated with a standard supermarket grade adhesive displaying a service range of -60°F to +150°F and a suggested range for applying the labels is between +25° and standard room temperature.

Our supermarket adhesive is designed for adhering to both **refrigerated** and **non-refrigerated** retail food packages and our base materials always meet, or exceed O.E.M. specifications.

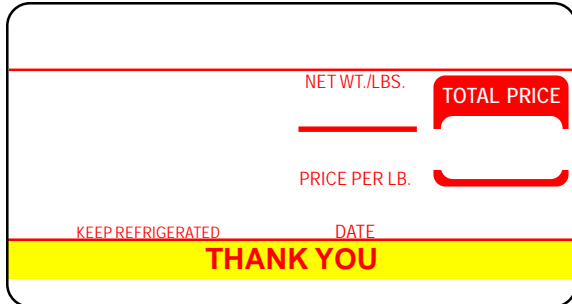

Label Specialties, Inc. guarantee our labels will perform as designed.

LSi does not publish prices on the internet, so for pricing or additional information please **contact LSi**
