## **CAS Scale Labels For Use in CAS Label Printing Scales**

Label Specialties, Inc. is not affiliated with CAS Corp., any other company or scale manufacturer, and LSi does not sell or service CAS scales or any other scale brands. However, Label Specialties, Inc. has specialized in manufacturing scale labels since 1980 and manufacturing CAS scale labels since 1993.

In 1994, LSi completely redesigned the original, very plain and unattractive, CAS LP-1000 series labels for CAS-USA. As today's industry standard format, our innovative design has been referenced in CAS literature distributed worldwide and is used as a base for CAS stock labels produced by every leading manufacturer.

LSi manufactured custom and stock CAS scale labels have been used in thousands of LP-1000, LP-1000N, CL5000, and LP-II scales to label retail bakery, deli, meat, fish and other seafood, poultry, and produce packages found throughout North America.

As a leading, nationally recognized scale label manufacturer for nearly three decades, LSi continues to maintain a leadership position in providing premium quality CAS scale labels to small, medium, and large customers nationwide and in other countries.

Over 1,800 distributors and other label customers throughout North America can attest to our industry leading prices on CAS and other scale label brands.

**Our quality and prices are indeed reflective of our reputation.**

Label Specialties, Inc. manufactures both Custom and Stock CAS scale labels, and LSi maintains a large inventory of popular stock CAS scale labels, and other scale label brands, that allow LSi to service customers with same, or next day shipping capabilities.

### **Warranty**

LSi **CAS** scale labels are produced using **premium** direct thermal papers. The direct thermal material is coated with a standard supermarket grade adhesive and has a service range of -60°F to +150°F with a suggested range for applying the labels at between +25° and standard room temperature.

Our supermarket adhesive is designed for adhering to both **refrigerated and non-refrigerated** retail food packages and our base materials always meet, or exceed O.E.M. specifications.

**Label Specialties, Inc. guarantee our labels will perform as designed.**

For pricing or additional information, please **contact LSi**
